Cagney Global Logistics, a leader in providing logistical and transportation services, continues to experience growth and has expanded its operations in Perris, California to meet increased client demand. The new distribution center will increase the number of orders the company can ship the day they are received, increasing the speed of delivery for Cagney Global's clients.

Irving, Texas ([PRWEB](#)) October 16, 2014 -- Cagney Global Logistics, a leader in providing logistical and transportation services, continues to experience growth and has expanded its operations in Perris, California to meet increased client demand. The new distribution center will increase the number of orders the company can ship the day they are received, increasing the speed of delivery for Cagney Global's clients.

“There are a lot of contributing factors that go into our thought process as we decide where to place a new distribution center,” Tom Cagney, CEO of Cagney Global Logistics said. “Most importantly, we want to make sure it's placed as close to the customer as possible to ensure that we can offer a broad range of services and fast shipping speeds.” With easy access to interstate transportation networks, the Perris distribution center will enable shipments to quickly reach destinations throughout the country.

With more than 28 years experience, Cagney Global is supported by advanced systems and best practices honed over the years, with the aim to serve customers as quickly and efficiently as possible. Cagney Global has set the industry standard for outstanding performance and customer service.
